Faced with a challenge, committed to a purpose, the 1979 Wilson football team displayed a iot of character and courage in compiling a record of 10-1 to win ts 2nd consecutive Section I Championship of the Lancaster-Lebanon League. The Bulldogs displayed a strong running game combined with an effective passing attack as they scored 254 points to set a school record for the longest winning streak with 22 games, and successfully defended the championship. Once again a strong aggressive defense played a dominant role as it broke the school record for least points scored by opponents in a season with 35. The ability of this team to play together was a key factor in the outcome of the season

Special recognition must go to this year's seniors whose attitude and readership made possible their goal of winning the Championship of the Lancaster-Lebanon League. The coaches and the players are to be commended for their hard work and dedication in the success of this season.

#### CROSS

The 1979-80 Cross Country team won four (4) and lost (11), ending the season with a 2-5 record in the league. This record reflects the inexperience of a team that had only two returning lettermen from the 1978-79 team. This year's team consisted of two freshmen, one sophomore, and three junior letter winners. Seniors on the team were John Zaring, Gary Althouse, and Kevin Koehn.

The team was led by Captain John Zaring, who became the first Wilson runner to ever recieve ALL-COUNTY honors. Coach Mahon is hoping for a successful 1980-81 team.

## MEMORIAIM

there is a moment

set aside for sadness

not little sadness

but an agony

Denise Breneman

It so this moment that just has passed.

The pain remains forever,

one cannot forget,

but there is yet time

before the sun well set,

for happiness

ara love.
